Rejuvenate Me

**1 hour

**230k

This massage was designed with the expert consultation of an orthopedic surgeon. Warm stones are briefly aligned along the body with firm sweeps to begin to relieve aching limbs. A fusion of deep tissue, lomi lomi and pressure point massage is delivered with care. A cleansing cucumber mask is applied and when the treatment is ending a warm lavender towel wipe down is applied to remove any excess oil. It's an ideal massage post surfing but is loved by all!

Please request male therapists for stronger pressure to get the kinks out and after sports.
